# Sessanta

With a linear entrance furniture such as Sessanta every entrance, hallway or even the smallest space can be elegantly transformed and find its function. There are endless possibilities to customise cosy and functional solutions made up of hanging elements, drawers, mirrors, coat racks and open units.

## FURNITURE WITH A DESIGN COAT HANGER

Sessanta comes with numerous types of designer coat racks: from modern versions of the old-style knobs, now minimalist, clean-cut metal volumes, to coat racks with a shelf in different materials, and to a coat rack inserted into an open wall unit.

## ENTRANCE FURNITURE WITH MAGNETIC MIRROR

One of Sessanta's special features is the magnetic mirror with magnet accessories that design an informal yet refined entrance. In addition, a much appreciated reminder function: with the magnet structure, documents that you should not forget or notes with important commitments are always clearly visible.

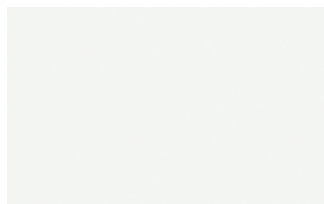

# FINISHES

Sessanta elements can be made in many materials and finishes from the extensive Birex range, all of which are waiting to be discovered. Get to know it now!
