

Madie e Contenitori

Supernova

Supernova si distingue per una modernità morbida e lineare. Fianchi raffinati e tondi, elegantemente formosi, e lunghe e affusolate gambe in tondino, poste verso l'esterno con testa arrotondata ben in vista.

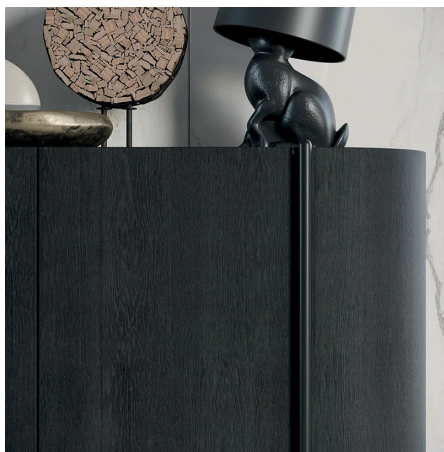

MADIA A DUE O TRE ANTE

La madia in legno Supernova, con top in legno o gres, può avere due o tre ante. Ha l'apertura con presa dall'alto dell'anta, ripiani in legno e interni in materico avana (o laccato opaco su richiesta) e schiena nella stessa finitura dell'esterno. È perciò perfetta anche a centro stanza.

MADIA CON STRUTTURA E BASAMENTO IN METALLO

La struttura in tondino di metallo svetta fino al top della madia e scende continua fino al basamento, caratteristica dell'intera collezione Supernova, ideata da Signorotto+Partners.

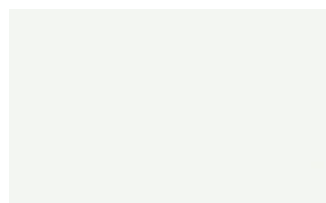

FINITURE

Scegli subito per la tua madia Supernova le finiture del metallo, del gres, delle essenze, dei laccati lucidi e opachi e di quelli speciali, effetto metallo o cemento.
