Lapis

From a concept of a simple, modern bathroom furniture to a concept that combines aesthetics and functionality to raise modularity to its highest peaks and satisfy the most diverse design requirements. This is Lapis. Distinctive feature: the essentiality of a 45° door grip.

BASIC BATHROOM FURNITURE

The elegance of simplicity, for Lapis. A linear bathroom furniture that emphasises every feature also with unexpected solutions, obtained by joining the fronts at 45°. This allows the drawer to stand out from the rest of the composition and give movement in a change of depth, which also involves the mineral marble top.

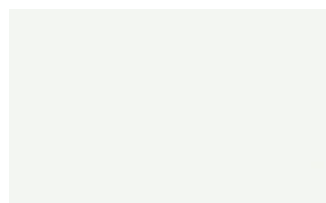

FINISHES

Elegant simplicity is enhanced by the skilful use of materials and finishes. Discover the wide range selected by Birex and find the combinations that suit your taste.
