

Madie e contenitori

Katana

Katana è una madia contemporanea, dalle linee minimaliste e razionaliste, con basamento in metallo in varie finiture, top in gres o legno, a formare un vassoio, ed eleganti maniglie in metallo.

MADIA CONTEMPORANEA BY SIGNOROTTO+PARTNERS

Lo studio Signorotto+Partners è l'autore di questa madia di design con maniglia in metallo che ha l'eleganza di una katana, l'antica arma giapponese, mentre si infila nel basamento, appositamente studiato. La stessa leggerezza delinea i fianchi che, insieme al retro, racchiudono il mobile con un effetto vassoio all'altezza del piano.

FINITURE A CONTRASTO

La struttura esterna e le ante in legno di Katana, in tutte le finiture Dallagnese, consentono di personalizzare fianchi e schiena in modo diverso dalle ante per creare un gioco di contrasti, eventualmente accentuato dalla maniglia in metallo. Il top è in gres o legno.

KATANA MOBILE CONTENITORE

La versione mobile contenitore alto a quattro ante battenti di Katana, è dotata di tre ripiani in vetro, o a richiesta in legno, e può essere accessoriata con allestimento bar, raster portabottiglie, cassetti e luci a LED.

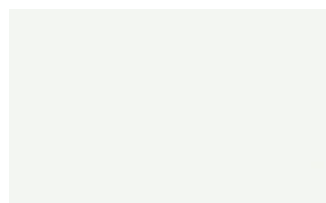

FINITURE
