# Simply

Simply is the simplest hinged door. Combined with different handles, it completely changes personality and is ideal to match and enhance more significant doors, when they need to be lightened. It is available in wood essences and lacquered finishes.

## DECORATIVE HANDLES FOR THE SIMPLY DOOR

The linearity of the Simply hinged door is an opportunity to enhance every available detail: the numerous handles, including key locks, wood and matt, glossy lacquered finishes and also special lacquered with a metal or concrete effect, and the numerous modules, including inside and outside corners. In the pictures, the Simply linear door in grigio seta matt lacquered finish is combined with the M03 handle in black metal.

## INTEGRATED TOILET CORNER

Simply can be customised with a toilet corner, turning the bedroom into a multifunctional space. A clever design that incorporates a discreet toilet with mirror and vanity, creating a dedicated place for beauty and personal care routines. The toilet corner is designed to integrate seamlessly with the design of the wardrobe, keeping a coherent and refined aesthetic.
