

Mirrors

Slash

The essentiality of the square or rectangular Slash mirror is made refined by the choice of the 45° cut with which the elements of the wooden frame are joined. Designed by Signorotto&Partners.

HORIZONTAL/VERTICAL RECTANGULAR MIRROR

What slant do you want to give to the Slash rectangular mirror? In fact, you can decide whether to hang it horizontally or vertically or even nonchalantly place it standing against the wall.

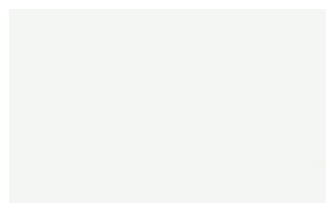

FINISHES

The square or rectangular Slash mirror can fit into any environment thanks to the many available finishes, in wood, wood essence or lacquer. Discover them all.
