Minima

Made with one, two, three or four doors, Minima is a shoe cabinet with a linear design, in which rigorous minimalism is emphasised by the groove handle. It matches any environment thanks to its simple style and the numerous available finishes, which become elements to satisfy different tastes: from colour to wood effect, stone or metal.

LINEAR DESIGN SHOE CABINET

Minimalist style for the shoe cabinet with one, two, three or four flap doors. The individual compartments can be customised with one, two or three shoe compartments. The removable internal division makes it easy to store even large shoes in spacious spaces, which are always kept healthy and pleasant by the air sanitiser. A very pleasant optional device.
