

Bathroom

Sidéro

A bathroom furniture with metal elements, born from a simple aluminium tube that can be transformed into an entire bathroom collection, then thinned out into an essential, slender furniture handle, vertical or horizontal.

METAL ACCESSORIES FOR SIDÉRO

The enchantment of metal as a distinctive element in furniture, expressed with the Sidéro bathroom furniture and its slim handle, evolves into various accessories that can be integrated into the compositions. And here we have the wall shelf and the open compartment with a metal frame and shelves, which can be chosen in numerous finishes.

MIRROR WITH METAL FRAME

As an option, Sidéro bathroom furniture can be completed with a round or rectangular mirror with a metal frame and shelf, which can be equipped with a magnifying mirror, towel holder and back lighting.

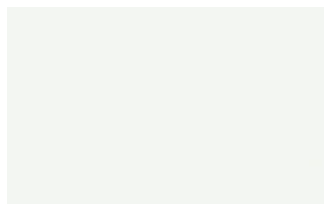

FINISHES

To personalise Sidéro, a wide range of Birex options is available for each element, in addition to the finishes for the metal tube that characterises it. Discover all!
