

Beds

Goose

The Goose upholstered bed is covered in a wide range of fabric and eco-leather finishes selected by Dall'Agnese. The quilted headboard with vertical workmanship slims the whole so as to lighten every choice, even the storage version with its powerful impact compared to the slimmer bed frame on feet.

UPHOLSTERED BED IN FABRIC OR ECO-LEATHER

The Goose's headboard appears to be covered by a quilt resting on it and echoes its softness because the cover, in fabric or eco-leather, has the consistency of a duvet, finished with elegant vertical quilting. This play can be emphasised by the choice of matching or contrasting side details.
