

Madie e contenitori

Code

Code è una madia dal design moderno minimal, componibile in libertà. Realizzata in legno, puoi sceglierla in tutte le finiture Dallagnese, dalle essenze legno ai laccati lucidi e opachi, a quelli speciali con effetto metallo o cemento.

MADIA DAL DESIGN MODERNO

Code, madia o contenitore, è un vero e proprio sistema di elementi da personalizzare dal design moderno. È fatto di vani chiusi con una o due ante dall'apertura push-pull, vani a giorno e cassetti.

È costituito da una scocca esterna all'interno della quale vengono inseriti i moduli desiderati. Viene quindi aggiunto il basamento, disponibile in tre versioni diverse: la struttura Lama, la struttura Tube e i piedini.

MADIA MINIMAL COLORATA

Puoi scegliere lo stile minimal della madia Code, come anche quello della versione contenitore, in tutte le finiture del legno Dallagnese. Di grande impatto e sempre diverse sono le madie minimal colorate, per esempio con contrasti squillanti, come il legno rovere carbone e il laccato lucido giallo senape.

MOBILE CONTENITORE CODE

Il mobile contenitore Code poggia su uno dei tre basamenti disponibili ed è componibile con elementi a giorno, cassetti o elementi chiusi da una o due ante con apertura push-pull. Cassetti ed elementi con ante hanno le parti frontali in materico avana o, a richiesta, nei laccati opachi.
