

Bedroom sets

# Slim Case

Slim Case chests of drawers, tall units and linear night stands are set in a C-shaped shell that gives dynamism to the whole and maintains a precise minimalist taste. You can complete your composition with very different wooden or lacquered finishes or in special surfaces.

## SLIM CASE NIGHT STANDS, CHESTS OF DRAWERS AND TALL UNITS

The structure consists of a three-sided casing onto which the linear and modern Slim modules are fixed. You can create your own customised solutions thanks to the rich modularity of Slim Case and play with matching or contrasting finishes. The structure can be finished in wood, lacquers or special surfaces and equipped with a glass top shelf. The opening of drawers and baskets is with a push-pull system.

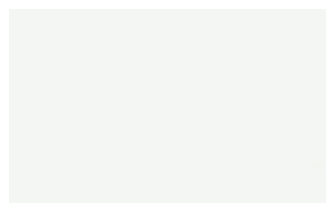

# FINISHES

Take a look at the finishes available for each element that makes up Slim Case night stands, chests of drawers and tall units to choose the combination that suits your style.
