Divani

Liko

Fra i divani modulari Dall’Agnese, Liko è ideale per arredare ambienti ampi. Alterna infatti sedute con schienale a imbottiti dal design più leggero, sia terminali che inseriti nella composizione, oltre a elementi in legno nelle varie finiture, con la funzione di tavolino d’appoggio.

LIKO COMPONIBILE: MODULI

Liko è un divano modulare dalla vasta componibilità. Puoi scegliere fra tre elementi laterali (grande, medio e piccolo), tre centrali (grande, medio e piccolo), l'angolo, l'isola, la versione poltrona, i pouf e i tavolini, entrambi in dimensione media o piccola. In aggiunta, ci sono anche i cuscini decorativi e l'elemento in metallo per bracciolo.

DETTAGLI RAFFINATI

All'attenzione artigianale che il nostro laboratorio interno imbottiti ripone nella scelta dei materiali e nell'esecuzione delle cuciture, si aggiunge quella per la realizzazione dei particolari. Un esempio è l'elemento optional in metallo per bracciolo, disponibile anche con tasca laterale portaoggetti e verniciato in colore moka per riprendere la finitura dei piedini del divano Liko. Per i tavolini inseriti nella struttura di Liko, oltre al piano in legno, puoi inoltre richiedere anche un elegante piano in gres Laminam Calacatta oro come elemento d'appoggio, interno alla composizione o terminale.

ABBINAMENTI DI STILE

Per vivere con comodità il living, i piani di appoggio sono sempre utili. Se poi scegli un divano componibile Liko per arredare spazi ampi, diventano essenziali. Per questo Dall'Agnese ne propone come moduli interni alla composizione. Nelle immagini usiamo in aggiunta il tavolino Azimut, con il piano in gres Laminam Calacatta oro e il piedino in metallo brown, il tavolino Bomber, con piano in gres noir desir e basamento in metallo nero, e il tavolino Zoe, con piano in gres noir desir e basamento in essenza rovere termotrattato.

FINITURE

Liko è un divano in tessuto sfoderabile del tutto oppure un divano in pelle o ecopelle con la seduta sfoderabile. Qual è la soluzione migliore per te? Scopri le finiture.
