

Beds

Bars

Verticality is the leitmotif of the Bars upholstered bed: from the decorative headboard, which is wider than the bed frame, to the wooden inserts, fragments of a modern capitonné, to the feet that slender the bed frame. It exudes a powerful character that defines the bedroom.

BED WITH CAPITONNÉ HEADBOARD

Among beds with a capitonné headboard, Bars by Dall'Agnese stands out for its reinterpretation of the technique and the use of vertical wooden inserts that mark the workmanship and make it contemporary. It is an upholstered bed in fabric or eco-leather that can be completed with feet either in the form of slender transparent plexiglass parallelepipeds, mounted at 45°, or conical black metal feet, or a storage unit. The latter solution offers additional space for storing clothes or linen. It is such a convenience that it is offered as an option for almost all Dall'Agnese beds.
